Apreamare Aperto 8 Tender

If you are looking for a luxurious, classic and timeless tender, look no further. This Apreamare has it all. The primitive Italian brand: Apreamare is mainly known for their classic cabin yachts, which are equipped with dual engines and a hardtop. But, they have built a very special model called the: Aperto, this Aperto is an 8 m and 2.68 m wide tender with a high bow and lots of space to sit and lie down. Perfect for lakes or beautiful trips through the waters of the country. With her 140 hp diesel engine she reaches a fine cruising speed of about 20 knots.

The Apreamare is in perfect condition, all electrics have been renewed and placed in the hull. Also there are more powerful batteries and a new battery charger to be on the water without any concerns. There are also two refrigerator drawers for ultimate cooling ability, the entire cushion set has been renewed to an incredibly comfortable lying and sitting cushions, these are styled in the painted hull: olive green.

Under the heading: "comments" you can find what else has been done. The Apreamare is "turn key" for the season.
